Emphasis: Certified Public Accountant Exam Preparation

## ABOUT THIS PROGRAM

The Master of Science in Accounting program (MSAC) emphasizes coursework – taught from the practitioner’s perspective. The program is designed for individuals with an undergraduate degree or concentration in accounting or finance who wish to advance their education. Students pursuing this program will explore topics such as current issues in accounting, auditing standards and financial accuracy.

The CPA Exam Preparation emphasis includes career-focused coursework designed to prepare students for a variety of professional fields in accounting with an emphasis on the CPA designation. Specifically, the program can benefit students seeking to meet additional academic requirements in preparing for state-specific CPA exam requirements or current CPAs seeking a credential that may enable them to teach accounting at higher education institutions.

## CAREER OPPORTUNITIES

Graduates of DeVry University’s Keller Graduate School of Management Accounting degree program with a Certified Public Accountant (CPA) Exam Preparation emphasis may consider, but are not limited to, the following careers:

- Accountant
- Accounting Manager
- Controller
- Director of Financial Reporting
- Public Accountant<sup>1</sup>

<sup>1</sup>Credits and degrees earned from DeVry do not automatically qualify the holder to sit for professional licensing exams to practice certain professions. Persons interested in practicing a regulated profession must contact the appropriate state regulatory agency for their field of interest.
